

Picture Day  
for  
Abrams Virtual Academy Students!

~ ~ ~

Wednesday, October 28, 2020

9 am – noon

Abrams Cafeteria

(Enter through the door on the outside of the building)

~

Parents will fill out a health screening at the door before their student enters the cafeteria, and will need to wait outside while their student is photographed.

The purchase of a package is optional, but we would like for all Virtual Academy students to be photographed.

Any purchases, as well as proof sheets for all students, will be delivered to Abrams. Parents will be notified when they have been received so that they can pick them up in the Abrams Lobby.
