

Do you have a talent you would like to show off?
 If so, Eagleside Elementary Talent Show is coming!

It will be held in May. It is open to all students K-5th.

There are a few important guidelines for those students interested in participating:

1. Students **must be prepared** for the audition (costumes, choreography, etc.). Performance should be in final form.
2. Please remind yourself that talents come in many different forms. BE CREATIVE!!! If singing, students must provide background music. **LIPSYNCING IS NOT CONSIDERED A TALENT.** This includes singing to a song with the original artist's voice still audible. If your child is interested in singing, there are several places to find background music. Check on the Internet (partytyme.net has many songs for sale), iTunes, karaoke businesses, music stores, etc. All music must be school appropriate.
3. Students may perform individually or with others. Be aware that if your child works with another student or students, the practice sessions must be arranged between you and their parents.
4. In order to participate in the Talent Show, all students must audition. You will be notified by Friday, April 14th if your child has been selected to participate in the Talent Show.
5. Performances should be no longer than two and a half minutes in length (for auditions, performances will be shortened).
6. If your child is playing an instrument that needs special accommodations, please let us know before the audition (for example: a guitar that needs to be plugged into an amplifier).
