Center Based – SSN			
Center Based teacher will communicate schedule with families.			

Remote Learning Expectations:

*Teachers, Interventionists and Special Education Staff will communicate with families and students times for small group instruction/support.

*Students will log into Schoology, daily, and find the Zoom link to join live instruction. Independent tasks will be assigned to support student learning. Independent practice folders and activities are located on teacher Schoology pages.

*Related Arts teachers (Art, Music, PE and Library) will post activities for students to complete during independent time. They will host office hours via Zoom each day between 1-2pm.

*Attendance will be taken daily. We understand that during this week, each family will have their own challenges. Please communicate with your student's classroom teacher if your child(ren) are unable to login for any reason.
