

Publicity Information

This page is for publicity information for fundraising with the Colorado Springs-based BOGO Blue Card. Please feel free to use anything on this page for describing the BOGO Blue fundraiser. If there is something that you need that you don't see here, please e-mail James at info@bogoblue.com. Thanks!

2019-2020 BOGO Blue Cards will be available through our students starting in August! The accordion-style coupon card sells for just \$10, is valid through Dec. 31, 2020, and conveniently fits in your wallet or billfold. This is **a fundraiser that we can be proud of** because the card is packed with over 90 **valuable money-saving discounts** -you can use it again and again at the places you frequent all around town, including WingStop, Dickey's BBQ, Texas Roadhouse, Sky Zone, Bubba's 33, Schlotzsky's, Cinnabon, Dutch Bros Coffee, Cold Stone, Del Taco, Great Harvest Bread, Scooter's Coffee, Rita's Italian Ice, and many more. Don't miss out on the great tourist activities, including **Monarch Mountain's** great deal (**1 adult lift ticket is just \$58!**). To check out the card, you can also go to www.bogoblue.com .

We chose this fundraiser because...

- BOGO Blue is a **local company**, and the value card's **discounts are exclusive to Colorado Springs** (tourist destinations like Echo Canyon Rafting, Rocky Mountain Dinosaur Resource Center, and Monarch Ski Resort are the exceptions, and provide incredible value for vacations and for relatives visiting from out of town).
- There is **absolutely no-risk** for our school, with all sales on consignment.
- We receive **50% profit**, guaranteed.
- There are no deliveries or order taking. Simply hand a card to your neighbor, friend, or co-worker, and accept the \$10.
- It is **quick and easy**, allowing us to get back to what we really want to do.
