Mrs. Hazley Sutter, Assistant Principal
Mr. Durtana Walker, Assistant Principal
Mr. Brian Gasser, Assistant Principal

October 13, 2020

Fountain Middle School Parents and Guardians,

Included in this update is the schedule for Remote Learning and In-Person Learning for the entire 2nd Quarter. It is the intention of the school district to use this schedule through the entirety of Quarter 2. This schedule is the same for Carson Middle School, Fountain-Fort Carson High School, and Fountain Middle School.

These changes were highlighted in a letter from our Superintendent earlier in October, as well as by myself a couple of weeks ago. The purpose of these changes is to increase the number of days students are In-Person at FMS as we continue to work towards all students returning to In-Person learning every day. We are trying to create greater accountability for students, while enhancing the instructional capacity by having students In-Person every other day. While students are in a Remote Learning setting, students will be working on and completing assignments provided to them the previous day by their teacher when they were at FMS, and will need to complete the daily Remote Attendance form they have been using these past weeks.

Cohort A – Students Last Name A-K is synonymous with In-Person BLUE Days
Cohort B – Students Last Name L-Z is synonymous with In-Person RED Days

In the top image to the right, students in Cohort A will be In-Person Oct 19th, 21st, and 23rd, which are colored BLUE for week 1. Students in Cohort A will be in Remote Learning on Oct 20th and 22nd, which are colored RED.

Conversely, in the lower image to the right, it shows that students in Cohort B will be In-Person Oct 20th and 22nd, which are colored RED. Students in Cohort B will be in Remote Learning on Oct 19th, 21st, and 23rd, which are colored BLUE.

So – Days that are marked BLUE are In-Person for Cohort A, and days that are marked RED are In-Person for Cohort B.

Please do not hesitate to reach out with any questions you may have while learning this system.

Sincerely,
William Dallas, Ph.D.
