Homework Club 2nd-5th Grade

Dear Parents,

It is time for homework club to begin. Homework Club in Monday-Thursday, and runs from 2:25-3:15. The goal of Homework Club is to support students in completing their homework prior to going home. They can do any Math homework, practice their spelling, words, or do their daily reading. It is not a time for large at home projects. Although this is not a tutoring club, there is adult support. Students need to come prepared to work on their homework. If they do not bring homework, they will be given a grade appropriate learning activity. This is not a free time for students to hang out and play games, this time is meant for homework.

Please be aware that you will be contacted about any inappropriate behavior, or if your student is not bringing homework in on a regular basis. Please fill out the following information in order for us to better support your student in homework club.

Student's Name: _____

Grade level: _____ Student's Teacher: _____
