

Online Registration Questions and Answers (Q&A)

Do I need to complete an on-line registration for each student?

No. You can add multiple students to one on-line registration. Click on [Add students](#) in the Student tab.

I have names in my household that need to be removed. How do I update this in the application?

1. Leave the name in the “**Other Household**” tab.
2. Click on [Save/Continue](#) when you are finished adding any other household members.
3. Input or Edit your Student’s information on the [Student](#) tab.
4. You will reach a section called [Relationships – Other Household](#)
5. Click the checkbox – **Remove Contact/ No relationship**

I’m unable to change names or birthdates for my returning student. Can I update this information in online registration?

You are unable to do this in online registration. (Applies only to returning students)

Please contact the schools to update the information at the start of the school year.

I have the Infinite Campus mobile app. Can I do the online registration through the app?

Unfortunately the app does not support this feature. You will have to use an internet browser to complete online registration. (Desktop or Laptop recommended)

I have fees to pay before I can enroll my student. Where do I go to pay student fees?

Fees can be paid online through Revtrak - <https://ffc8.revtrak.net/tek9.asp>

When will my application be approved or denied?

Registrars review submitted applications. They officially return on [July 24th 2017](#).
