

Online Registration Questions and Answers (Q&A)

When can I start registration for 2018/2019 school year?

Starting **June 1st 2018**. Any registrations before this date will not apply to the 2018/2019 school year.

How do I start registration for current students to attend next school year?

1. Log into [Infinite Campus \(Parent\) Portal](#).
2. Click on "Online Registration"
3. A list of your current students will appear.
4. Click on "Begin Registration"

Do I need to complete a separate on-line registration for each student?

No. You can add multiple students to a single on-line registration. Click on [Add students](#) in the Student tab.

I have names in my household that need to be removed. How do I update this in the application?

1. Leave the name in the "**Other Household**" tab.
2. Click on [Save/Continue](#) when you are finished adding any other household members.
3. Input or Edit your Student's information on the [Student](#) tab.
4. You will reach a section called [Relationships – Other Household](#)
5. Click the checkbox – **Remove Contact/ No relationship**

I'm unable to change names or birthdates for my returning student. Can I update this information in online registration?

You are unable to do this in online registration. (Applies only to returning students)

Please contact the schools to update the information at the start of the school year.

I have fees to pay before I can enroll my student. Where do I go to pay student fees?

Fees can be paid online through Revtrak - <https://ffc8.revtrak.net/tek9.asp>

When will my application be approved or denied?

Registrars review submitted applications. They officially return on July 19th 2018.

Where can I download calendars? [Calendar Documents](#) Link
