

Evidence-Based Prevention Programs for Schools, Families, and Communities

# BOTVIN LIFE SKILLS PARENT TRAINING

Fountain Middle School

Professional Development Training Center

515 N. Santa Fe Ave, Fountain

**SATURDAY, APRIL 27<sup>TH</sup> AND MAY 4<sup>TH</sup>**

**12-4pm**

- Parking is in the back WEST parking lot off Alabama Ave behind the main Fountain Middle School Campus. We will meet at the back doors closest to the bus stall parking lot.

The *LifeSkills Training* Parent Program helps to strengthen parenting skills in these areas:

- issues related to adolescent drug abuse
- how to be a good role model for your student
- ways to convey a clear anti-drug message
- tips for effective family communication and parental monitoring
- helping your children develop personal self-management and social skills

Designed for parents or guardians of students in grades 6-9.
