

FOUNTAIN-FORT CARSON SCHOOL DISTRICT 8 COMMUNITY RESOURCE DIRECTORY

Welcome Families, Students, School Staff and Community Partners.

This directory was created to provide a place to learn about the services and supports for students and families in the Fountain-Fort Carson communities that are commonly requested.

As a school community, we understand and value that our families have a major influence on a student’s achievement. When schools, families, and community groups work together to support learning, students tend to do better at school, stay in school longer, and like school more. The agencies listed offer a variety of resources for students and families. If you have specific needs, please contact your child’s school counselor for additional information and resources.

The listing of any organization in the list of community resources does not imply that the organization or the goods and services offered have been endorsed by the Fountain-Fort Carson School District nor is the list inclusive of all agencies and organizations in our communities. All numbers are local and have a **719** area code unless otherwise indicated. DIAL 211 for essential community services.

TABLE OF CONTENTS
