

# Can my child go to school today?

Read blue boxes to help determine the answer.

Do you believe your child may have been in contact with an individual who tested positive for COVID-19?

**YES**

**NO**

-Stay at home  
-Inform the school  
-Call your doctor for instructions  
-Follow guidance from EPCPH as student may have to isolate and/or quarantine x 14 days.

-Come to School  
-If your child has **not been absent** for illness they may go directly to class

Is child unwell with the following symptoms: sore throat, new cough that causes difficulty breathing, diarrhea, vomiting, loss of taste or smell, abdominal pain or new onset of severe headache?

**YES**

**NO**

-Stay at home  
-Inform the school  
-Rest and recover  
-Call your doctor if symptoms worsen

-Come to School  
-If your child has **not been absent** for illness they may go directly to class

Does your child have a Fever? Temperature 100 or higher

**YES**

**NO**

-Stay at home  
-Inform the school  
-Rest and recover  
-Call your doctor if symptoms worsen

-Come to school  
-If your child has **not been absent** for illness they may go directly to class

Has your child been fever free without medication for 72 hours?

**YES**

**NO**

May return to school IF at least 72 hrs. have passed since recovery (No fever without the use of medication), AND child has improvement of symptoms for at least 24 hrs, and at least 10 days have passed since symptoms first appeared

Call you doctor for their direction for when to return to school. If seen by doctor, bring doctor note upon return to school. (Also see underlined in yellow box)

If no recent contact in past 2 weeks with anyone who tested positive for COVID-19, student may return to school.  
However, If child **was** in contact with someone within past 2 weeks who tested positive for COVID-19, call your doctor for instructions. EPCPH guidance may require your child to isolate/quarantine x 14 days before returning to school

**\*\*\*If your child tests positive for COVID-19, please follow instructions from your doctor and the EPCPH as your child will need to stay home to isolate per their instructions.  
Student may return to school if it has been at least 72 hrs since recovery (no fever without use of medication) AND improvement in symptoms AND at least 10 days have passed since symptoms first appeared. If you suspect your child has COVID-19 but is not evaluated by your doctor and not tested for COVID-19, your child can return to school after the underlined criteria listed in this box are met.**
