September 4, 2020

Good morning Trojan Families,

The staff and faculty are excited to welcome back students on Tuesday, September 8, 2020. Students will be attending in person two days a week and will be working At-Home the other days. Students with the last names A through K will attend in person on Tuesdays and Wednesdays, and students L through Z will attend in person on Thursdays and Fridays. Below is the schedule for our in person learning and our daily bell schedule.

On At-Home days we will not have a schedule for students, instead they will need to work independently completing assignments and doing work. It will be important that they stay on top of their work. If they need support from their teachers, they will be able to access their teachers on Mondays from 8:00 to 11:00

It is really important that our students and staff follow all of our safety protocols. As a school we will be disciplined in our approach to following the protocols in order to have a safe and prolonged return to in-person school.

If you have any questions, please contact us anytime.
