2020-2021 BUDGET PARAMETERS

The budget parameters are consistent with priorities developed during the 2017 - 2022 Strategic Planning process.

The strategic plan priorities are as follows:

Priority #1 **Student Learning** – Commit to the academic and behavioral growth and achievement of all students by providing diverse opportunities for students.

Budget Parameters

- Continue to fund District-wide textbook adoption cycle
- Maintain class sizes that are conducive to maximum learning and individual attention for students
- Fund professional development opportunities during the summer and throughout the school year
- Continue to provide resources and professional development for academic and behavior intervention
- Continue to support gifted education programming
- Explore additional enrichment and extended learning opportunities outside of the classroom
- Dedicate funds to continue focus on social emotional learning and restorative practices
- Continue to prioritize technology to meet the current educational needs of students
- Priority #2 **Operational Planning** Commit to collaborative strategic planning that ensures the best learning environment and outcomes for students as well as fiscal accountability.

Budget Parameters

- Provide competitive salary schedules and fringe benefits
- Fund District construction projects relative to growth and need
- Develop long-range plan for improving and/or replacing aging facilities, including possibility of a new voter-approved mill levy override to sustain heavily impacted funds in the future
- Maintain and upgrade technology infrastructure and network to support needs of all district stakeholders
- Priority #3 Communications and Community Engagement Commit to the development of family and community partnerships to build a supportive environment and culture that engages students to be responsible citizens.

Budget Parameters

- Commit to dedicate resources toward improving and maintaining school safety and security, including professional development opportunities for staff across the District
- Provide resources to support parent outreach and involvement
- Continue to fund SRO programs throughout the District

COMPLIANCE STATEMENT

This budget's revenue projections were prepared using information provided by the Colorado Department of Education, the County Assessor, the Federal Government and other sources using methods recommended in the Financial Policies and Procedures Handbook. This budget's expenditure projections were prepared based on program needs, enrollment projections, mandated requirements, employee contracts, contracted services and anticipated changes in economic conditions using methods described in the Financial Policies and Procedures Handbook. Beginning fund balances and revenues equal or exceed budgeted expenditures and reserves.

This budget includes the actual audited revenues, expenditures and fund balances for the last completed fiscal year. The figures are contained in the District's annual audit available for review on the District website, or may be obtained through the Colorado Department of Education or the State Auditor's office.

The 2020-2021 Mid-Year Budget was prepared in compliance with the revenue, expenditure, tax limitation and reserve requirements of Section 20 of Article X of the Constitution.
